### Entry Dead Line for MLA TEAM:

**Monday the 12<sup>th</sup> of July for all your initial cuts.**

We will revise times and enter NEW cuts no later than the close of the Sunday Session July 18<sup>th</sup> for the West Michigan Classic. You will fill out the new cuts form with the swimmers revised times and NEW cuts. Hand that form to Diana before you leave. DO NOT E-MAIL this information in later. The entry sheet is included in this meet information for you to print at home and bring with you.

**IMPORTANT NOTICE:** It is your responsibility to provide the proof of time for the swims that are not listed in this meet information as approved meets. That paper work has to be turned into your coach 1 week prior to the July 12<sup>th</sup> dead line.

**Location:** Holland Community Aquatic Center, 550 Maple Ave Holland Mi 49423

**Eligibility:** All swimmers registered with Michigan Swimming and residing within the USA who have achieved an actual short course yards, short course meters or long course meters time equal to or faster than the qualifying standards (referred to as **Q1** times) during the qualifying period are eligible to enter an event

### Qualifying

**Period:** The qualifying time must have been achieved on or since January 1, 2009.

**Age Group:** A swimmer's age on July 29, 2010, will determine his/her eligibility for a particular age group for the entire meet. You must swim your own age group.

**Format:** **13/14 & Open:** All Michigan Swimming, Inc. LSC individual events are offered in the noted age groups and Open Division in this four-day meet. The 13/14 and Open individual events are prelim/final events with the exception of the 800m and 1500m free events which are timed final

events. Preliminaries are swum in the morning and the finals are swum at night. All relays are timed finals.

**12 & Under:** All Michigan Swimming, Inc. LSC individual events are offered in the noted age groups. All the 10 & under and 11/12 individual events are timed finals. All relays are timed finals.

- Finals Info:**
- (1) Individual Events: There will be two heats of individual and one heat of relay finals – each heat comprised of a maximum of eight (8) swimmers or eight (8) relays. These will be referred to as “A, B Finals” or “Finals and Consolation Finals”. These will swim in a B-Consolation, A-Finals order.
  - (2) Relay Events: The fastest heat of all 13/14 and Open relays will swim in the Finals in the evening. The rest of the relays swim in the prelims in the mornings.
  - (3) Order of Events: Note the order of events as stated in the schedule of events for Finals. Finals are not necessarily swum in the same order as they are swum in the Prelims. Always consult the heat sheet.

**Conversion:** No time conversions are permitted. Times must be submitted in long course meters, short course meters, and short course yards.

- Seeding:**
- (1) Seeding individual events shall be as follows:
    - a) All conforming LCM times will first be arranged in time order.
    - b) Following the conforming LCM times, non conforming SCM times shall be arranged in time order followed by non conforming SCY times arranged in time order.
    - c) After arranging the times as provided above, the event shall be seeded in normal fashion.
  - (2) All entry times must be designated as SCY, SCM, or LCM. Any entry time having an inaccurate course designation will not be accepted.

**Proof of Times: INDIVIDUAL EVENTS:** Times from any meet in the SWIMS database or from Invitational Meets and League or Conference Championship Meets hosted by other leagues or high schools that have been run on approved meet management software and within the qualifying period may be used to enter this meet. Times from dual, inter-squad or intra-squad meets, other than those Sanctioned, Approved or Observed by USA Swimming, will not be accepted.

The SWIMS database maintained by USA Swimming contains results of all Sanctioned, Observed and Approved meets held in the USA if the athlete was a member of USA Swimming at the time of the swim. If the time is in SWIMS it may be viewed from the USA Swimming website by selecting **Individual Times** under the **Times/Time Standards tool** and running a search using the athlete name.

All individual entries submitted for the 2010 Long Course State Championships will be pre-verified for qualifying time eligibility at the Michigan Swimming Office by comparing the submitted entry time against the SWIMS database. If a qualifying time was swum at a meet that is contained within SWIMS, there is no need to submit a proof of time for that entry.

If a qualifying time is not in SWIMS, a proof of time must be submitted to the MS Office for that swim. **ACCEPTABLE PROOFS** include printed meet results which clearly identify the meet host, the location of the meet and the date the meet was held (swim date must be on or after January 1, 2009) as well as the name of the event and the names, clubs and times of other

swimmers in the event but the **PREFERRED PROOF** is a locked Meet Manager backup of the meet results. Team Manager export files will work but are NOT preferred. Computer printed award labels and/or time cards signed by a meet referee are not acceptable for proof purposes.

If a qualifying time cannot be pre-verified it will be rejected, the swimmer will not be entered in the event and the MS Office will notify the club's entry chair via the email address stated on the entry form of the rejected entry.

**Entry Limits:** A swimmer may enter any number of individual events in which the qualifying time standard has been met. However, a swimmer may swim no more than three individual events per day. A swimmer may swim no more than 6 individual events for the entire four day meet. If a swimmer is entered in more than three individual events per day, he/she must scratch out of the desired excess event(s) by using a scratch card dropped in the scratch box by the stated time. Failure to properly scratch excess events will result in an automatic scratch of all events that exceed the event per day limit.

#### **Entry Fees**

**Electronic:** \$5.00 per individual event. Please include a \$5 Michigan Swimming Athlete Surcharge for each swimmer entered.

**Deck Entry:** There are no deck entries for this meet.

#### **Scratch Rules/ Individual Events:**

(1) All individual events will conform to the USA National Scratch Procedure **with the exception of the 800m Free and the 1500m Free**. With these rules in effect you are no longer required to "check in" for any individual events – you are already "checked in" by virtue of your entry and thus expected to swim the event. If you are entered in an event you must swim the event or, if desired, scratch the event correctly in order to not be penalized. To scratch a preliminary or timed finals event you must drop a scratch card in a scratch box by the time stated. To scratch from a Finals event (that you have qualified for) you must scratch or declare your intention to scratch within 30 minutes after the qualifiers are announced pursuant to 207.12.6 (E). If you fail to scratch out of any individual event correctly and fail to compete in the event - you will be penalized.

(2) Once a scratch card is dropped in the scratch box the swimmer is declared scratched from the event. Only coaches and swimmers may use a scratch card to scratch an event.

(3) A separate scratch card must be used to scratch each individual event a swimmer desires to scratch. Exception: A coach may use a single scratch card to scratch a swimmer from all events the swimmer is entered in (ie. remove the swimmer from the entire meet).

#### **Penalties for**

#### **Failure to**

**Compete:** **Preliminary and Timed Final Events:** If you fail to drop your scratch card by the time stated for the event and fail to compete, the swimmer will be barred from all further preliminary individual and relay events of that day. Additionally, the swimmer will not be seeded in any further

individual events on succeeding days unless that swimmer declares intent to swim prior to the close of the scratch box for that day's event. (See Meet Referee or his/her designee).

**Finals:** If you qualify for finals as a result of your preliminary swim and fail to properly scratch or properly declare your intention to scratch pursuant to the rule within 30 minutes after the final qualifiers are announced and fail to compete in the finals at night, you will be barred from further competition for the remainder of the meet. NOTE: If you declare that you may want to scratch an event but do not return to confirm that scratch within 30 minutes following the conclusion of your last event, you will be seeded into the Finals event and will be similarly penalized if you do not compete in Finals (See Meet Referee or his/her designee).

**800m Free and 1500m Free Timed Final events:** If, after you check in for the 800m Free or the 1500m Free and (A) as a result of top 8 seeding and failing to properly scratch and failing to compete in the evening Finals, the swimmer will be barred from swimming any events for the remainder of the meet, or (B) as a result of being seeded in the heats that swim during the morning sessions and fail to compete, the swimmer will be barred from swimming any further preliminary individual or relay events that day. Additionally, the swimmer will not be seeded in any further individual events on succeeding days unless that swimmer declares intent to swim prior to the close of the scratch box for that day's event (See Meet Referee or his/her designee).

**Time Trials:** Time trials may be offered for all events each day immediately following the conclusion of the preliminary heats (only after the morning session) at the sole discretion of the Meet Referee and Meet Director if time permits. Time trials are \$7.50 for an individual event and \$15 for a relay. Time trials are subject to the Michigan Swimming Championship Time Trial Rules which are reviewable in full on the MS website. Notable portions of the rule include (1) To participate in time trials the swimmer must be already participating in this Long Course State Meet, either in an individual event or a relay event (including relay only athletes). A swimmer does not have to actually swim an individual or relay event to participate in time trials so long as the swimmer is entered in the meet or listed as a relay only (including alternates) swimmer. (2) Swimmers are limited to two time trials for the entire meet (3) Time trials count against the total number of individual events per day (no more than 3 individual per day) but not toward the total number of individual events for the entire meet (6). If an athlete has entered the maximum number of individual events allowed per day and wants to swim a time trial, the athlete must scratch an event using the scratch box by the stated deadline or not swim the time trial in order to assure the limit of swims per day is not exceeded.

**Awards:** Michigan Swimming, Inc. provides medals for 1<sup>st</sup> – 8<sup>th</sup> place finishers in both individual and relay events and ribbons for 9<sup>th</sup> – 16<sup>th</sup> in all individual events. JBL Enterprises will be on site to engrave individual and relay medals. There are individual high point awards for 1<sup>st</sup> – 3<sup>rd</sup> place finishers in each age group.
